

Mini-script for presenting yourself in informal settings

1. Identity

- Name: _____
- Pronouns: _____
- Organization/Collective: _____
- Territory/Country: _____
- Role in the community: _____

2. Cause and participation agenda

Why am I here and what do I want to say?

- Main advocacy topic: _____
- Central problem I face in my territory: _____
- Connection with the global agenda: _____

3. Central message (Core idea)

A short phrase that synthesizes your voice and your proposal:

“ _____ ”

Example: “Without internet access, there are no digital rights. My community remains excluded from what is being debated here.”

4. Local example with global impact

Relate a brief fact (max. 3 lines) from your community that connects with the global debate:

“In my region, internet shutdowns have been used to silence social protests, reflecting the urgent need for international regulations that protect digital freedom.”

5. Concrete advocacy proposal

What action do you expect from this space, conversation, or meeting?

Recommendation, commitment, or policy you propose:

6. Networks and contacts

- Email: _____
- Phone / WhatsApp: _____
- Social media: @_____
- QR (optional): to share contact information or digital portfolio.
